INSPIRING PRIMARIES ACADEMY TRUST

All schools within Inspiring Primaries Academy Trust recognise every child as a unique individual, celebrating and welcoming differences within our inclusive school communities.

Our curriculum is designed to build resilience and respect, enabling our children to become creative and critical thinkers with well-developed interpersonal skills who understand how they learn. We recognise and build on each child's prior learning and provide a wealth of first hand experiences and enhancement opportunities to engage them. We emphasise learning opportunities available throughout our communities and surrounding areas. We firmly believe childhood should be a happy, investigative and enquiring time where there are no limits to curiosity and there is a thirst for knowledge.

In our opinion, play and playfulness are part of life and any education that does not communicate joy, wonder, amazement, fascination and delight has failed. Book of Proverbs 8: 30-31 'Joy in learning is the mark of a good teacher and well-taught pupil'.

Children leave our schools with a sense of community belonging and the confidence and skills to make decisions, self-evaluate, make connections and become lifelong learners.
